The sporting regulations essentially follow those of the French National Commission for Adapted Fencing (FFH), the French Fencing Federation (FFE), and the International Fencing Federation (FIE), with some elements specific to the organizers, the CEFC's internal regulations, and the inclusion of able-bodied athletes in this competition open to all. Participants must hold a license from the FFH, FFE, or their respective federation. Athletes must possess equipment and attire that comply with the regulations of the French National Commission for Adapted Fencing (FFH), the FFE, or the FIE.

## ART. 2 - TECHNICAL GUIDELINES

The technical committee is formed and its members are announced before the start of the competition. To ensure the smooth running of the event, it is authorized to make any necessary decisions, in accordance with the regulations of the National Commission for Disabled Fencing, the FFH, the FFE, or the FIE. The organizers reserve the right to modify the format depending on the number of participants.

## ART. 3 - ARBITRAGE

**Each club must provide 1 referee:** starting from 4 athletes participating

**Each club must provide 2 referees:** From 9 athletes registered on Saturday or 3 teams registered on Sunday. If no referee is available, the fencing master of the club in question will be responsible for refereeing. Required referee level: regional, national, or international

## ART. 4 - FENCING FOR ALL

All registered participants accept and agree to abide by the rules of reception and adaptation. They will have to pull in a wheelchair.

Accompanying persons have the right of access to the competition area; failing that, a CEFC volunteer per athlete is designated by the organizing committee.
